Gail Ramey
President 2025-2026
Department of Georgia

Greetings from the President

Hello Everyone,

We had a great visit with our National President Pam Ray. We concentrated on her visit in Augusta and visited both the Uptown and Downtown VA Hospitals. We were able to tour both Fisher Houses. There is one near the VA Hospital and one on Fort Gordon. We also visited the Georgia War Nursing Home known as The Blue Goose. I want to thank District President Phyllis Jones and the entire 11th District Legion Family for the hospitality. We had great food and great fellowship.

The National Legion Commander will be visiting Georgia beginning April 24th through April 26th. The Dinner for the National Commanders visit on Friday, April 24, 2026, will be held at Post 42 in Cartersville, Ga. I will send out the remainder of the agenda to the District Presidents for distribution.

I mentioned this in the last newsletter; however, I need to say it again. It's getting to be that time of year again the so many people hate. Reporting time. Please, these reports are important and show the folks coming behind us what we have accomplished. Your scrap, prayer and history BOOKS are due to your DISTRICT Chairperson by April 15th. This will allow them time to be judged prior to your District Convention which is held in May. After the judging and awards are presented, the books will be given back to the Units who prepared them and the Unit is responsible for sending the books to the Department Chairperson. All REPORTS are due to District and Department Chairpersons by May 1. All the reports forms are on our Department website and should have been updated with the correct Chairperson's contact information. All the Department Chairpersons are listed on the Department website if you are not sure who to send to.

It's time for your Units to be recruiting girls for Girls State. We are doing things a little different this year when it comes to registration. Your Unit needs to register, and you will be provided with a code. This code will be given to the girls so that they can register. If your Unit has not registered yet, please go to georgiagirlsstate.org and click on the Unit Information tab at the top of the page. All the information you need is there. Also, when you send your check in for girls' registration, please make the check payable to Georgia Girls State rather than payable to the ALA Department of Georgia. Girls State has its own bank account and it's easier to track if the checks go directly into the Girls State account. Registration deadline is May 1.

Greetings from the President , continued

This year the Legion is selling ads for the Convention Program. This is to try to offset the cost to the Legion. The plan was to sell enough ads to cover the cost and have extra money to share with the Department. The ad order forms are on the Legion website and will be on the Auxiliary website. The deadline for submitting ads is May 1.

Commander Michael Schwartz has a fundraiser as well. If he can raise \$35,000.00 for his special project, he will shave off his mustache. His project is Georgia Veterans Fund which benefits:

- Georgia VA Hospitals
- Georgia War Veterans Homes

Please remember Department Officer elections are at the June Convention. If you are interested in running for a Department office, please let me know so we can post it on the Department website.

As always if you need my help in any way, please don't hesitate to call, email or text. If I can't answer my phone, please leave a message and I will get back to you. It is an honor to serve as your Department President.

Pam Eckler

Happy Spring everyone!

It is so hard to believe Spring is here, but I will take it as I am tired of chilly weather.

The 2025-2026 Auxiliary year has flown by so fast, but we have accomplished some wonderful things and have fallen on others.

Since most of you know how much I love membership I want to speak to this a little bit. For the last few years, our membership has been decreasing. I realize several of our members passed away this year, but that does not account for the hundreds of members we have lost. When I ask members what is going on in their units regarding membership many have given me answers I did not want to hear. I heard words like bullying, bossy, disrespectful and liars. Not **words** anyone really wants to hear. When I continued to ask more probing questions regarding the use of these words, I quickly realized we have leadership issues. Leadership issues that start at the top and filter all the way down to each, and every member. Leadership at the top of our organization must exemplify great leadership traits, so our District and Unit leaders may follow. Department leadership must treat our organization as a business, uphold our fiduciary duties towards our Department, and look at positions within our Department as positions that need to be filled by the best possible candidates versus friends. I feel somewhere over the years we have not followed our own training.

I can say your Department leadership is working towards upholding our duties to the best of our abilities, and we will continue to work even harder. However, it is our Units' leaders all members interact with on a regular basis. So, for all our Unit leaders out there, I ask what is your "why?" Why did you join the American Legion Auxiliary in the first place, and does your reason align with how you are leading your Unit? I hope all our Units leaders know by now there is a book entitled the "Unit Guide Book." This book is a valuable resource for **all** members to read, especially Unit leadership. You can purchase this book from Flag and Emblem (www.emblem.legion.org) for a cost of \$9.99 plus tax and shipping. The other option is to go to our National website (<https://member.legion-aux.org/member/guides/unit-guide-book>). If you print the Guide Book it will be approximately fifty pages, unless you print on both sides of the paper.

This book discusses the roles and responsibilities of each Unit officer along with other informative and valuable information. As an example:

"Duties of the Unit President *The unit president should be familiar with the duties of all officers and committee chairs and **encourage and inspire them in their work.** It is the responsibility of the president to see that all officers are supplied with all available information and material from department and National Headquarters. The unit president should preside at all meetings of the unit and the Unit Executive Committee and • require adherence to the Constitution and Bylaws, rules and regulations established by the National and Department Conventions, National and Department Executive Committees, and the unit itself; • appoint members of standing committees and create other committees as necessary; and • appoint all non-elected officers and perform all other duties assigned to the office."* Although I have looked hard, nowhere in this book does it state a Unit President is the "boss." No where does it state a Unit President may tear up a resignation letter in front of their entire membership.

First Vice President, Pam Eckler (Continued)

Nowhere does it state a Unit President can destroy transfer requests. If your leadership is bullying you, disrespecting you, or telling you false information, you do not have the right leader in place. No one, and I mean no one, should ever feel bullied or disrespected, as we are all volunteers and we do not need to tolerate this behavior. To all the unit leadership reading this, ask yourself why you want to be a leader. If your reasoning is to be a boss, have a title, or to share your Unit's information with others outside your Unit, you are in the wrong organization!

I realize some of you might find my comments distasteful and that is OK, but my comments are true. Our organization, our Department, Districts and Units will cease to exist if we do not start showing our members kindness and respect. We need to help each other and pick each other up, versus kicking each other when we are down. It is simple if you think about it! There is not one relationship that exists that does not experience some sort of conflict whether it is a friendship, marriage, or business relationship. It takes compromise and listening skills to make any relationship work. So, instead of tearing up a resignation letter, why not ask the person if everything is OK, and see if you can help? In other words, treat people how you would want to be treated until you are given a reason not to do so.

If we are going to survive, we need to focus on empowering others, acting with integrity, and embracing resilience to drive positive change.

I look forward to seeing all of you at our Department's June Convention, so we can make positive changes, celebrate our great accomplishments, AND have some much needed and deserved **fun**.

Greetings, Team Georgia.

As we kick off Military Child Month, please pray for all military families, especially those who have lost a family member.

Recognizes that military children "serve" alongside their parents through changing schools, support networks, and periods of separation.

Dear Lord, I pray for the children of military members. Be near those who are missing their deployed parent and help them understand that their parent loves them, even if they are far away. Bless them with an abundance of love and support, and calm any fears they have about their parent.

The Poppy Page

Every Day is Poppy Day

The National Poppy Committee has released a new fundraiser to benefit Honor Flights. An attached flyer provides the details. The 5K does not have to be completed all at one time. You can work on it over several times (just complete the necessary 3.1 miles). Make your \$25.00 to your Unit or the Department of Georgia, put on your walking shoes, wear your poppy pins or any poppy fashion items, and get moving with your friends. The requirements must be completed on **National Poppy Day- May 22nd**.

THE REGISTRATION LINK National Poppy Day Virtual 5K can be found on the ALA National Poppy Facebook Page (Click Here).

There has been confusion over the changes in "The Poppy Financial Report Form". The price of poppies was increased and the Department of Georgia Executive Committee voted to allow the units retain the 25% of donations that were sent to the Department in the past. The information was provided in the fall newsletter and to District Presidents to share. In order to keep current with our National organization guidelines, the Department website was updated. The "Forms" section will assure members have the correct committee chairs to send reports to. The website is more user friendly and provides much information needed for exploring our programs. Please go online to check out our website.

May is the month we celebrate everything poppy. It is also the birthday of The Poppy Lady Moina Michael (May15). Let's get out in the community and host Poppy Distribution Days. Share the wonderful story of this "Miracle Flower" and how it benefits our veterans.

Interim Secretary Susan Hall

April has arrived and time is flying by fast.

We are planning now for the 2026 Department Convention scheduled to be held in Duluth GA June 26 – 28 2026 at the Sonesta Gwinnett Place Atlanta. (Sneak peek, the Mid-Winter Conference 2027 will be in Savannah!) The Department Executive Committee Meeting -Thursday, 25 June 2026 at 6:00 PM.

OBLIGATIONS: The Department asks that units submit both mandatory and voluntary obligations as soon as possible. This helps the department distribute funds accordingly. **For the Units who have not paid, Let's Get it done!**

I hope everyone is keeping track of all the excellent work their Units have done for the 2025-2026 reporting cycle. May 1 is the due date for reports! Send your reports to your District and the Department chairperson. See the website and your district presidents for contact information. District Presidents would like to see 100% reporting sent tom Department. **Let's report all the incredible action GEORGIA is taking!**

I am happy to serve as the interim secretary supporting the department during its transition until the DEC completes the hiring process. Please reach out to me for any questions you may have.

Membership is at 83.61% and GA is in 41st place. Please keep processing and submitting your transmittals online! KEEP SPREADING THE WORD about all the excellent work we do serving our Veterans through our members. Membership is what keeps us going.

I prepared the poppies to ship – you should receive them soon! Hey - recruit members at your unit Poppy fundraising drives. We cannot wait to see Units out having poppy drives to help our Veterans programs. Send pictures!

There are some reminders below and a list of forms. Please submit them on time.

Thank you, unit leaders and members, for all you do!

National Executive Committeewoman (2022-2026) Susan Hall

It is my pleasure to serve the Department as the elected member to the National Executive Committee (NEC). Someone asked me recently “what does that mean, NEC”? Here’s the answer:

“The National Executive Committeeperson serves on the National Executive Committee, which is the governing body of the American Legion Auxiliary between National Conventions (National Constitution & Bylaws, Article V, Section 1).” My duty is to fulfill the responsibilities of that national governing board and communicate its actions and expectations to the department (Article IV, Section 3). Because the NEC is part of the national governing board, the first responsibility is to uphold the national organization’s governing rules and decisions and to help the department and units maintain compliance with the national organization.

On that note, there have been **several updates to the national governing documents with many items requiring units and departments to automatically update theirs.** **The item that is of most importance to units is this:**

The national organization specifically states in its constitution, article III membership Section 6. Membership can **only** be offered **upon an affirmative vote of the unit members.** Unless an alternate procedure is set forth in the unit bylaws. This section is new and was approved at the national convention in August 2025 and appears in the national governing documents dated October 2025.

What this means is that every unit that does not have a statement in its bylaws or standing rule that states an alternate procedure, **the unit MUST vote to accept new members.** That is the new the default ***IF*** the unit documents are “silent.” If nothing is there and your unit has not been voting to accept new members at unit meetings with an established quorum, the unit is out of compliance with national.

There is a simple solution to this. Check your governing documents to determine how to amend your bylaws, follow what it says, and in a unit meeting with a valid quorum following the amendment article, ask your membership chair to make a motion like: “I move that we add to our unit bylaws this sentence under membership: *‘The unit will automatically offer membership to persons who apply and who meet the membership eligibility criteria without an affirmative vote of the unit membership.’”*

Be careful – the national documents say “unless an alternate procedure is set forth in the unit **bylaws.**” Sorry, an easy fix to standing rules is not in compliance since the national document says **bylaws.**

Until the unit bylaws are properly updated, the unit membership chair should be making a motion each meeting with a valid quorum something like “I move to accept Name, Name, and Name who have applied, paid, and provided proper eligibility documentation as members of the unit.” Let me know if you have any questions.

National Executive Committeewoman, Susan Hall (Continued)

There are more updates to come – the NEC voted on over 200 pages of changes to the national standing rules recently – I will get a list to you soon, or at the June convention, that applies to units.

The other thing about being an NEC is the training – it is comprehensive and exhaustive. Information for departments and units that is useful can be found here [Governing Board Roles & Responsibilities](https://www.aladdeptga.com/resources/governing-documents) located on the department website:

<https://www.aladdeptga.com/resources/governing-documents>

In my years on the GA DEC, I have learned that many of our units and districts, and sometimes even those new to the DEC, do not fully understand their role on the executive committee. At all levels, the “EC” serves as the “board of directors” for the entity just like the NEC does for National. Check out the document referenced above and email or call me if you have questions. It is my duty to help the department and its units.

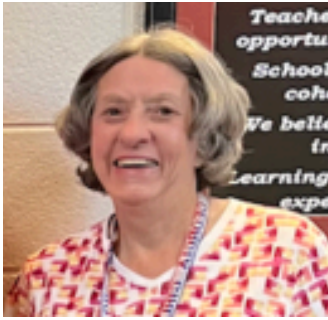

In closing, if you are a member of a unit, district, department or like me, national executive committee, our primary responsibility is “to serve as the fiduciary steward of the organization to ensure its financial sufficiency and organizational integrity through strategy and policy that afford future generations the opportunity to participate in our mission.”

District 9 Family Welcomes Home Fallen Hero Sergeant First Class Solomon Honored at Repatriation Ceremony

The District 9 family gathered for a poignant repatriation ceremony honoring Sergeant First Class Solomon, whose sacrifice in the Korean War has never been forgotten. SFC Solomon was killed in action in 1950, and after decades of uncertainty, his remains were returned to the United States in 2018. The Department Commander and Department President were both present to offer their support and gratitude to Solomon's family during this emotional homecoming.

After advanced DNA testing confirmed Solomon's identity, his family was officially notified, bringing closure to years of waiting. The ceremony, held at Post 127 in Sugar Hill, drew a crowd of dignitaries and community members. The General Ambassador from Korea, based in Atlanta, presented Solomon's family with a medal recognizing his death in the effort to save South Korea from Communism. In a moving tribute, the U.S. Army also awarded the Purple Heart to Solomon's family, honoring his bravery and sacrifice.

Mayors from Sugar Hill and Suwanee attended, standing alongside local officials and veterans to pay their respects. The event underscored the enduring bonds between nations and the importance of honoring those who gave everything for freedom. The District 9 family, together with the broader community, welcomed SFC Solomon home, ensuring his legacy lives on.
