A Word from the President

Pam Eckler

Department President 2026-2027

Working together to serve our Heroes

It is hard to believe we are already three months into our new year—time truly has flown by!

Governing Documents

As many of you know, changes approved by the Legion at the National Convention have created new opportunities to grow our membership. Speaking of change, many Units have not yet updated their Constitution, Bylaws, and Standing Rules to reflect the amendments passed at the 2025 National Convention. Now is a great time to review your Unit's governing documents and make any needed revisions so they align with Department and National guidance. Once your membership has approved the updated documents, you are encouraged to send a copy to the Department for its files, although doing so is not mandatory.

Past Presidents' Wall

The Past Department Presidents' wall is coming together beautifully. We are still searching for photographs of two Past Department Presidents (PDPs): Mrs. Ernest R. Harris (1941-1942) of Valdosta and Mrs. A. D. Lambert (1934-1935) of Savannah. If your Unit has a photograph of either PDP, we would be very grateful if you would send us a copy. As we continue organizing the conference room and storage area, we remain hopeful that the missing photographs may turn up—perhaps they are simply waiting for their grand entrance.

Once the wall is complete, we plan to hold an unveiling ceremony and invite all Auxiliary members in our Department to honor our living PDPs and remember those who are no longer with us.

Mid-Winter Conference

January 15-17, 2027 • Tybee Island Registration and hotel reservations: www.aladeptga.com

The Mid-Winter Conference at Tybee Island, January 15-17, 2027, is about three months away. The Legion has negotiated a favorable room rate at the host hotel, Hotel Tybee. Links to register for the conference and reserve a hotel room are available on the homepage of our Department website (www.aladeptga.com). As an added bonus, Hotel Tybee will not charge conference attendees a parking fee.

Your Executive Board and several PDPs have been working diligently to develop the Mid-Winter Conference agenda. The conference will focus on practical training in areas such as updating governing documents, achieving and maintaining Unit compliance, increasing membership, and promoting fundamental fairness, among other topics. All attendees are encouraged to bring their governing documents—and every ALA question they have been saving up.

A Word from the President

Continued

And do not forget: this year's conference will be held in conjunction with the Sons of the American Legion's (SAL) Polar Plunge. I am still waiting for our Department Treasurer to confirm that the Districts have contributed a combined total of \$2,000 toward my special project. If we reach that goal, I have promised to take the plunge in Ariel's favorite mermaid attire—because apparently leadership sometimes requires fins. The National Commander of the SAL and the National Commander of The American Legion will be our special guests at both the Polar Plunge and the conference.

Holiday Service

By the time our next newsletter is issued in December, many of us will be busy gathering holiday gifts for veterans, military members, and their families. As we take part in these activities, let us pause to consider how difficult the season can be for military members who are away from family, veterans spending the holidays in hospitals or nursing homes, and people experiencing homelessness without a place to celebrate with family or friends. Then, take a moment to count your blessings. In doing so, you will be reminded exactly why the work of the American Legion Auxiliary matters so much.

Chaplain's Corner

Phyllis H. Jones

Department Chaplain

Again, I greet you in the name of our most high FATHER, which art in HEAVEN. I would like to thank each of you for all your communication in sending me prayer needs on all levels. Please let us remember we are all GOD's children and everyone is in need of PRAYER.

We have seen August, September and now October is here and retailers have pushed displaying Halloween, Thanksgiving, and Christmas décor. I don't know about you, but I want things to slow down a little.

As I grow older, I am learning to appreciate things that I overlooked or took for granted before like blue skies, rainbows, the different trees, fresh fruit, flowers, landscapes and seascapes. Please join me in stopping and taking a moment to enjoy the air that we breathe; smell the roses/flowers. Life is shorter than we all realize and we need to take stock in each and every day. Let's thank God for His blessings and favor, and brand new mercies each day!

*Chaplains don't forget to share with others, your membership and position in this organization is IMPORTANT.

LET'S PRAY: Prayer for Unity and Togetherness

O Father, unite our hearts in love and harmony. May we embrace one another

with kindness, fostering understanding and a spirit of cooperation. Guide us to work together in faith and support, surrounding each other with Your grace. Let our bonds be strengthened, reflecting Your values of togetherness in all we do. Amen.

History

Lavette Ray

Historian

Hello, everyone! Your historian has been busy. In case you missed story time, she attended the 105th National Convention in Kentucky. The crowd of members was amazing. She met other historians, from Unit to National. She saw our Department President being sworn in. Our new NEC attended orientation and the first of probably many NEC meetings. The Department of Georgia had a good turnout at the convention, including Past Department President Gail Ramey, whose convention it was this year. Leadership: Joyce Jenkins; Membership: Kelli McIver; Risk and Compliance: Andrea Price, Anita Owens. Many others attended, including District Presidents and our NEC. So much information was shared and things were done a little differently. All in all, the convention was a success.

Leadership Training

After returning, your historian had about two weeks to rest and recuperate. The first Leadership course started. It took place in Macon Ga, Unit 3. The training was informative and very detailed. Not to mention lots of fun. The training included speakers on Leadership, Membership, Risk and Compliance, getting your unit and district in compliance with the IRS, Constitution and Bylaws, as well as a presentation on how to handle complaints. Our Department President, Pam Eckler, with shirts, pins, and raffle tickets, was in attendance...

Tons of trees were used to make sure everyone had all the information that was discussed.

The unit provided lunch and was very welcoming. Overall, the training was a success. So your historian has been busy so far. Now she is preparing for the National President's visit and the next Leadership training.

Until next time, I hope you have enjoyed reading a little piece of history.

Membership Eligibility Update

Hello, Dear Department of Georgia American Legion Auxiliary Members. I hope you all are having a great membership year thus far. As your Constitution and Bylaws Chair, I have been working with our leaders to make sure our documents are up to date, as well as helping facilitate the importance of updating governing documents properly. I have attended 1 of 4 leadership trainings. I also attended the National Convention in Louisville, Kentucky. During the convention, a resolution was submitted and passed. Below you will find information regarding our new membership eligibility.

Because we have no authority over our eligibility requirements and because this affects the auxiliary as a whole, it will be added to our governing documents and does not require a vote. At the 2026 American Legion National Convention, delegates adopted new membership eligibility language for the American Legion Auxiliary — expanding eligibility and allowing more family members to join the ALA.

The Legion has authority over the ALA's membership eligibility; this language change allows more people into our organization — strengthening our ability to better serve our veterans, military, and their families.

Following is the updated text from The American Legion that reflects the updated eligibility provisions for membership in the American Legion Auxiliary:

OFFICIAL LANGUAGE:

Section 2. Membership in the American Legion Auxiliary shall be limited to:

(1) grandparents, parents, siblings, spouses, and direct or adopted descendants within two degrees of consanguinity of members of The American Legion; and

(2) grandparents, parents, siblings, spouses, and direct or adopted descendants within two degrees of consanguinity of all servicemembers who served in either of the following periods: April 6, 1917, to November 11, 1918, and any time after December 7, 1941, who, being a citizen of the United States at the time of their entry therein served on active duty in the Armed Forces of any of the governments associated with the United States during either eligibility periods and died in the line of duty or after honorable discharge;

(3) grandparents, parents, siblings, spouses, and direct or adopted descendants within two degrees of consanguinity of all servicemembers who were in the Armed Forces of the United States during either of the following periods: April 6, 1917, to November 11, 1918; and any time after December 7, 1941, who served on active duty in the Armed Forces of the United States during either eligibility period and died in the line of duty or after honorable discharge; and

(4) to those women who of their own right are eligible for membership in The American Legion.

What the Change Means

The revisions to the ALA's eligibility mentioned above allow individuals the potential to be members of both the Sons of The American Legion and the American Legion Auxiliary. The Legion's national judge advocate has confirmed that this dual membership does not constitute a conflict of interest with The American Legion.

The eligibility changes are effective immediately. Updated membership applications, brochures, and additional membership resources are available at www.ALAForVeterans.org.

If you have not updated your governing documents, you may want to do so.

Best Regards

The VA&R 2026-2027 team sends a warm welcome to all Department of Georgia ALA members. As stated in our ALA VA&R Program, we are committed to promoting, supporting, and providing services that enhance the lives of our Veterans and their families.

Volunteering at VA facilities, sponsoring hostess parties, donating comfort articles to our Veterans, preparing Christmas bags and gifts, and attending Standdowns are just a few of the many ways your Units are supporting our Veterans by enabling our Reps and Deps to assist in these and other areas.

As the holidays approach, please remember to send your Christmas donations to Department in time for the Reps and Deps to shop for our Veterans who cannot be home.

This quarter we are highlighting what is happening and coming up for our Veterans at Carl Vinson VA in Dublin. Please see words from our ALA VA&R Rep Jean Graham below:

Risk & Compliance

Anita Owens

Risk & Compliance Chair

Our Goal Is Simple: Help Our Units Succeed!

Risk & Compliance - What Does That Mean?

As we begin a new year, we are excited about the opportunity to work with each of you and make this a successful, productive, and rewarding year for all of our Units!

You may be wondering: What exactly does "Risk & Compliance" mean?

Risk = Finance

Risk is about helping protect our Units financially. This includes making sure funds are handled properly, financial procedures are followed, records are maintained, and appropriate controls are in place.

Simply put: Risk helps us identify and reduce financial concerns before they become a problem.

Compliance = Taxes & EIN

Compliance is about making sure our Units meet their required obligations. This includes staying current with applicable tax requirements, maintaining accurate records, and keeping control of your Unit's EIN (Employer Identification Number).

Simply put: Compliance helps make sure our Units are doing what is required and staying on the right track.

We're Here to Help!

Compliance is not about finding fault. It is about working together, providing guidance, and helping set our Units up for success.

Our goal is to make sure every Unit and member has the knowledge, resources, and support needed to understand and follow the Policies, Procedures, and Governing Documents of the American Legion Auxiliary.

Have a question? Need clarification? Not sure where to turn?

Please reach out! You are welcome to contact us by phone, text, or email. We are here to answer questions, provide assistance, and help you navigate challenges along the way.

Let's Make It a Great Year!

We look forward to getting to know many of you and working alongside you throughout the year. Together, let's make this a year of growth, teamwork, and success!

Thank you for all that you do for the American Legion Auxiliary and for your continued dedication and service.

Here's to a Successful, Positive, and Exciting Year Ahead!

Community Service Chair

Hello Members! Our first National Day of Service (9/11 National Day of Service & Remembrance) just passed and I would LOVE to hear about all of the good you did. Please send me a quick email with a brief description and a photo or two. Our next National Day of Service is coming up in January, Martin Luther King Jr. National Day of Service. Start planning now to have a successful event. With the holidays coming up, it will be here before we know it.

Our Southern Division Community Service Chair Jane McKnight included some community service ideas in her quarterly Newsletter. They include volunteering at your local library, chaperoning a field trip at school, volunteering at an animal shelter, helping set up a community event, volunteering at or collecting food for a local food pantry, writing letters to residents in care facilities or a homeless shelter, making birthday cards for children and others. With the holidays coming up, you could ask your junior members to help make holiday cards to bring to a local nursing home. You can join National's Facebook group at <https://www.facebook.com/groups/ALACommunityService>

I can't wait to hear what our members have been up to!

As a reminder, feel free to call or email me throughout the year. You don't have to wait until year end reports are due. 305-505-3744 or scusano13@gmail.com.

Introductions

Andrea Price

6th District President

Greetings,

What an exciting time it is to begin another year of service, growth, and fellowship! I am truly honored and grateful to continue serving as your District 6 President for a second year.

As we begin this new year together, I look forward to building on what we have accomplished, creating new opportunities for our Units and members, and strengthening the connections that make our District special. I am committed to continuing to learn, grow, and serve with focus, purpose and dedication.

My hope is that this year will bring us new ideas, meaningful connections, and opportunities to make an even greater impact through the work we do.

Most importantly, let us continue to keep our mission at the heart of everything we do: serving our Veterans, our Military, and their Families, while also making a difference in our communities and supporting our Children & Youth.

I am excited about the year ahead and all that we can accomplish together. Let's continue to support one another, share our ideas, celebrate our successes, and learn from our experiences, while keeping our mission at the center of everything we do.

Here's to another year of serving with purpose, leading with heart, and making a difference! With gratitude and excitement!

QUALIFICATIONS:

Interest in government, leadership, citizenship, honesty, scholarship, character, and completion of their junior year in high school.

ORIENTATION:

Orientation should be a part of your Girls State plan so that the girls and their parents understand in advance what to expect upon arrival. There is a potential plan for Orientations in several areas of the state. More information will follow in future newsletters. Meeting places and Volunteers will be needed.

PUBLICITY:

Unit chairmen, be sure to contact local media for coverage as soon as your delegates have been selected. Many newspapers are willing to publish pictures and short articles about the program. Invite delegates to a unit meeting after the session to report to the unit.

FEE:

Checks must be made out to Georgia Girls State and mailed to the Department Headquarters. Send the fee of \$350.00 per girl to the American Legion Auxiliary Department Headquarters, 3035 Mt. Zion Road, Stockbridge, GA 30281 before April 20, 2027 to assure space for your girls. Call the director for late payments of fees. Please DO NOT hold your unit check for fees just to make sure your girls are attending before paying. This really hurts our program. Any money that is sent in helps Georgia Girls State even if your girls don't attend. No money is paid to the University until after Girls State. We only pay for those attending. If your girl backs out at the last minute, there are other worthy girls that the money can cover. It can also be a donation to the program to help cover other costs. We have expenses to pay before the session begins, so please do not hold the fees. Parents and family members should not pay the fee for their daughter.

DISTRICTS:

Each district is to elect a counselor and pay a \$350.00 counselor fee. Please notify the director upon the election of the counselor at the district meeting before March 1, 2027 and have the counselor send the director a resume. Even if your district doesn't elect a counselor, the fee is still to be paid. Please contact me for further information. Girls State needs volunteers for technical support. Only qualified people please call me.

Girls State | Continued

APPLICATIONS:

The 2027 online application will be available on the website on March 1, 2027. After your unit pays for the girls you plan to sponsor, you will receive codes to give to your girls. The girls will be given the website so that they can go online and complete the application using the codes they are given. The application will be filled out online so there's no printing and filling out the document. This will alleviate many mistakes and eliminate problems with illegible handwriting. Keep a copy of your girls' contact information for future correspondence with the girls. A Pre-application will be available on the website to gather this information from the girls.
