GUIDING PRINCIPLES

American Legion Auxiliary Mission Statement

“In the spirit of Service, Not Self, the mission of the American Legion Auxiliary is to support The American Legion and to honor the sacrifice of those who serve by enhancing the lives of our veterans, military, and their families, both at home and abroad. For God and Country, we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace, and security.”

American Legion Auxiliary Vision Statement

“The vision of the American Legion Auxiliary is to support The American Legion while becoming the premier service organization and foundation of every community providing support for our veterans, our military, and their families by shaping a positive future in an atmosphere of fellowship, patriotism, peace, and security.”

Organizations that create an environment that both motivates people and where positive behavior is rewarded, attract the best talent, maintain strong morale, retain key volunteers, ultimately will thrive, and achieve their mission, vision, and goals.

IMPACT: *“Every hour and every dollar ALA members invest in our mission of helping veterans adds up. It not only gives each member a sense of pride in belonging to the organization, but it allows us to demonstrate our effectiveness to the world. Each small sum of numbers gets added into the collective numbers that are called Impact Numbers.”*

REPORTING: It is through reporting – written committee reports in addition to impact reports - that individuals, units, districts, and departments capture the effort and action – the accomplishments – of our members, units, districts, and departments.

The more reports that are submitted across all MISSION OUTREACH and MEMBER & ORGANIZATION SUPPORT committees, the better the ALA Department of Georgia (and ultimately the National organization) can measure the IMPACT of our members and effectiveness of our Department in delivering on the mission and vision of the ALA.

MEMBER RETENTION: Members join generally to serve in support of the American Legion auxiliary four core MISSION OUTREACH programs (committees): Veterans Affairs & Rehabilitation (VA&R), National Security, Americanism, and Children & Youth. If members and units are collaboratively serving in these key areas, you will find units that have higher satisfaction and engagement and ultimately, retention.

Other MISSION OUTREACH programs include Girls State/Nation, Liaison to Child Welfare Foundation. Community Service, Education, Junior Activities, Legislative, and Poppy.

Behind mission outreach, units, districts, and departments must operate effectively and those who volunteer in the MEMBER & ORGANIZATION SUPPORT committees provide valued service to functional areas that provide the opportunity for success in Mission Outreach. This includes: Membership, Leadership, Risk and Compliance, Constitution & Bylaws, Public Relations, Finance, and the AEF (Auxiliary Emergency Fund).

PERSPECTIVE: *If the “task” of reporting is viewed less as a chore but instead, embodied as a guiding light to success throughout the entire year, imagine what you, your unit, your*

district, and our department can do! Shifting from a mindset of “we have to report at the end of the year” to a proactive mindset of, “what do we need to do” at the beginning of our administrative year is key to keeping the momentum going of a quality program.

If each unit, district, and department committee chairperson begin the year with the end in mind – “WHAT ARE WE DONING OR WHAT DO WE NEED TO DO” – the report form is simply the list of things to be done in our quest to achieve the ALA vision and mission. And then, reporting becomes less of a task and more of a “DID WE DO IT? And DID WE DO IT WELL? Recognizing, and reporting, on the things that did not go well is just as important of capturing the WINS and ACHIEVEMENTS.

With this perspective, this **AWARDS AND RECOGNITION** program serves primarily as the quality management tool for the Department. Trust that your Department Officers and Committee Chairpersons WANT to hear from you, WANT to receive reports from every unit, WANT to recognize the excellent things happening in Georgia, and WANT to identify opportunities for improvement and perhaps change – all in the spirit of SERVICE NOT SELF as we serve our veterans, active duty and their families, deliver the good word of Americanism and serve our children in youth..

And, yes, no one ever said “YAY, I get to write the annual Department Report” for each component of the organization’s efforts! But it is with dedication and pride that your Department Officers and Committee Chairpersons can gather the information that you submit and compile it into an amazing year-end report for the entire state of Georgia.

THE FORMS AND RULES: Forms and rules can be found at <https://www.aladeptga.com/forms-1>. Even in July, it does not hurt to look at last year’s forms while Officers and Committee Chairpersons are updating forms for the current year.

Take advantage of information and guidance found on the National ALA website (log-in required) and join the ALA National Facebook groups for each committee – incredible information is shared, and problems are often resolved in those groups.

Remember too, submittals for National ALA awards must utilize the National online system and protocols found at <https://member.legion-aux.org/National-Awards-Form> (you must be logged in). Confer with your Department contact for each program area to ensure coordination and to avoid any confusion. Generally, to be eligible to submit for a National Award, the Department award for that program area must be awarded.

LET’S CELEBRATE: This Awards and Recognition Program is designed to celebrate the accomplishments and impact of our volunteers.

Please let the Department applaud the work of our tireless volunteers!

Allow our Department Officers and Committee Chairpersons to demonstrate gratitude for all you do – for all the members you motivate and engage, all the service that you do that creates emotional and mental satisfaction, and ultimately the friendships that are developed and reduce volunteer turnover.

NOW, GET WRITING & COMPILING YOUR AWESOMENESS!

RULES AND REGULATIONS FOR AWARING DEPARTMENT PLAQUES

1. All plaques must be presented at a Department Executive Committee (DEC) meeting with rules for awarding for approval.
2. All plaques are to be permanently rotating-and the size is to be 8 x 10 in size.
3. The winner of the plaque has the responsibility for the care and upkeep of the plaque while it is in the member's, the unit's, or the district's possession.
4. The Department Chairperson will contact the donor when a plaque needs to be replaced or retired. If the donor does not want to replace the plaque and it is retired, then any other unit or individual may replace it, they may rename it and change the rules as they see fit.
5. When rules for presenting a plaque become obsolete, the Department Awards Chairperson and her committee will then make recommendations to the donor for the purpose of keeping the rules current. Once new rules are agreed on the Department Chairperson will present the new rules to the Department Executive Committee for approval.
6. Updates to rules for awarding a plaque must be given to the Department Chairperson so they can be presented at a Department Executive Committee meeting and approved.
7. Reports must be submitted to the Department Chairperson by the date the Chairperson specifies to be eligible to compete for any Department plaques.
8. In the event of a tie, unless rules specify method for decision, the plaque is to be awarded to the Unit or District with the highest percentage of membership goal.
9. 9. All plaques are to be returned at the Department Convention in June. If the plaque is not returned, then that unit will not be able to receive new plaques. Once they return the plaque then they will get the new plaques they won.
10. If a member, unit, or district loses or cannot find plaque they will not receive any other plaques until they return the plaque or pay a fine of \$40.00.
11. Chairperson may also give certificates to the winners even if it is not stated in the rules.

REMINDERS TO DEPARTMENT COMMITTEE CHAIRPERSONS & OFFICERS:

Department Officers and Committee Chairpersons responsible for coordinating the judging of awards should remember each year to review the rules for each award for which they are responsible to:

- Ensure the rules and report requirements align with the National ALA program. Award winners at the Department level must comply with the National ALA program to be eligible for consideration at the National level.
- Ensure the timeline of the Department award submittals align with the timeline for the National ALA program. *Example, the Americanism Essay Contest requires the student submittals to be reviewed and awarded at the Unit level then the Unit winners are submitted, reviewed, and awarded at the Department level and only Department winners are submitted to National by the Department. For this example, for consideration at the National level – the due date may be April 15th, much earlier than the regular Department May 1st due date.*
